

Sreenidhi University - Counsellor Knowledge Base

Source documents: Undergraduate Admissions Policy Booklet (effective 2025 onward), Sreenidhi School of Engineering pathway sheets, University trifold brochure, School of Business brochure, and SAP Add-On Certification flyers. Use this as the single source of truth for the admissions counsellor agent.

1. University Overview

Q: What is Sreenidhi University?

Sreenidhi University is a premier private, multidisciplinary university in Hyderabad, Telangana, focused on future-ready education and innovation. It is recognised under the Telangana State Private Universities Act of 2018 and approved by the Government of Telangana vide G.O.Ms. No. 55 dated 30th July 2024. It builds on the legacy of the Sreenidhi Education Group and offers programs spanning engineering, business, liberal arts, law, and other future-focused domains.

Q: Where is Sreenidhi University located?

Yamnampet, Ghatkesar (PO), Pocharam Mandal, Medchal-Malkajigiri District, Hyderabad 501 301, Telangana.

Q: How do I contact the university?

Phone: +91 77999 56801 / 802. Email: admissions@suh.edu.in. Website: sreenidhiuniversity.edu.in. Admissions portal: apply.suh.edu.in. A dedicated International Admissions Desk is available for foreign applicants.

Q: What is the Sreenidhi Education Group?

The group includes Sreenidhi Institute of Science & Technology (SNIST, autonomous, est. 1997), Sreenidhi International School (SIS, CIS-accredited IB World School, est. 2003), KMR Foundation (est. 2008, rural CSR initiatives), Sreenidhi Sports School (SNSS, est. 2015), Sreenidhi Deccan Football Club (SDFC, est. 2022), and Sreenidhi University (est. 2024).

Q: What makes the campus distinctive?

Sreenidhi University describes itself as an AI-powered campus (SREENIDHI.AI) with personalised AI-driven learning paths, real-time progress analytics, and intelligent feedback combined with industry mentorship. Sreenidhi ASCEND is its innovation and entrepreneurship engine, helping students build, validate, and launch ventures.

2. Schools and Programs

2.1 Sreenidhi School of Engineering - B.Tech Programs

The School of Engineering offers five B.Tech tracks:

1. CSE (Core) - "Build Systems. Scale Systems. Own Platforms."

2. CSE (AI & ML) - "Build Intelligent Systems. Create the Future."
3. CSE (Cyber Security) - "Protect Systems. Secure Futures."
4. CSE (Data Science) - "Turn Data into Insights. Drive Decisions."
5. CSE (AI and SAP Cloud / Enterprise AI with SAP Cloud) - "Drive Digital Transformation with SAP Cloud."

Q: What are the program highlights for engineering?

Career-ready and industry-focused curriculum, experiential and project-based learning, an engineering + liberal arts nexus, skill and certification integration through the Skill Development Centre, industry engagement (live projects, practitioner sessions, internships), and acceleration options (minors and honors with additional credits). Faculty mentoring runs at a 1:20 ratio.

2.2 CSE (Core) - Learning Pathway

- Year 1: Programming Fundamentals
- Year 2: DSA & Problem Solving
- Year 3: Systems & Networks
- Year 4: Cloud, DevOps & System Design (Career Ready)
 - Key learning areas: Operating Systems, Computer Networks, Database Systems, System Design, Cloud & DevOps, Scalable Architectures.
 - Certification path: AWS Cloud Foundations ? AWS Solutions Architect Associate ? then choose AWS DevOps Engineer Professional OR Kubernetes Administrator (CKA) OR System Design Professional.
 - Career outcomes: Software Engineer, Backend Developer, Cloud Engineer, DevOps Engineer, System Architect, Solutions Architect, Site Reliability Engineer.

2.3 CSE (AI & ML) - Learning Pathway

- Year 1: Programming Fundamentals
- Year 2: Math, Stats & Data Basics
- Year 3: Machine Learning Fundamentals
- Year 4: Deep Learning & AI Applications (Career Ready)
 - Key learning areas: Machine Learning, Deep Learning, Neural Networks, NLP, Computer Vision, AI Engineering.
 - Certification path: AWS Cloud Foundations ? Microsoft Azure AI-900 ? Microsoft Azure AI Engineer Associate ? then choose TensorFlow Developer Certificate OR DeepLearning.AI Specialization.
 - Career outcomes: AI Engineer, Machine Learning Engineer, Data Scientist, Deep Learning Engineer, NLP Engineer, Computer Vision Engineer, AI Research Engineer.

2.4 CSE (Data Science) - Learning Pathway

- Year 1: Programming & Data Basics
- Year 2: Statistics & Data Analysis

- Year 3: Data Visualization & Modeling
- Year 4: Big Data & Business Analytics (Career Ready)
- Key learning areas: Statistics, Data Analysis, Data Visualization, Machine Learning, Big Data, Business Analytics.
- Certification path: Tableau Desktop Specialist ? Microsoft Power BI Data Analyst Associate ? then Google Data Analytics Professional Certificate OR IBM Data Science Professional Certificate OR SAS Certified Data Scientist.
- Career outcomes: Data Analyst, Data Scientist, Data Engineer, ML Engineer, Business Intelligence Developer, Analytics Consultant.

2.5 CSE (Cyber Security) - Learning Pathway

- Year 1: IT & Network Fundamentals
- Year 2: Security Fundamentals
- Year 3: Ethical Hacking & Security Operations
- Year 4: Advanced Security & Incident Response (Career Ready)
- Key learning areas: Network Security, Ethical Hacking, Cryptography, Security Operations, Digital Forensics, Risk Management.
- Certification path: CompTIA Security+ ? Certified Ethical Hacker (CEH) ? CISSP ? then choose OSCP (Offensive Security Certified Professional) OR Microsoft Azure Security Engineer Associate.
- Career outcomes: Security Analyst, Ethical Hacker, SOC Analyst, Penetration Tester, Security Consultant, Cyber Security Engineer.

2.6 CSE (AI & SAP Cloud) - Learning Pathway

- Year 1: Business & IT Fundamentals
- Year 2: ERP Concepts & Processes
- Year 3: SAP Core Modules
- Year 4: Industry Internship / Capstone Project (Career Ready)
- Key learning areas: ERP Concepts, Business Processes, SAP Modules, Data Management, Implementation, Integration & Support.
- Certification path: SAP Business Process Integration with SAP S/4HANA ? SAP Backend Developer Certification ? SAP Certification in Fiori Development ? SAP Certification in Project Manager - SAP Activate.
- Career outcomes: SAP Consultant, SAP Functional Consultant, ERP Solutions Architect, SAP Analyst, Business Process Analyst, Project Manager.

2.7 Sreenidhi School of Business - BBA Programs

- BBA General & BBA Honours
- FinTech (with Industry Partner)
- Business Intelligence & AI (with Industry Partner)
- Marketing Management
- Innovation & Entrepreneurship

3. Eligibility Criteria (B.Tech)

Q: What is the academic eligibility for B.Tech admission?

Applicants must have secured a minimum of 60% marks in Mathematics, Physics, and Chemistry (MPC) taken together in the 10+2 (Intermediate or equivalent) examination. This threshold is mandatory (a "non-negotiable gate") and disqualifies any candidate not meeting it, regardless of entrance exam scores.

Q: Which entrance exams are accepted?

Admission is based on qualification in any ONE of these recognised exams:

- SUCET (Sreenidhi University Common Entrance Test) - minimum eligibility 60 marks.
- JEE (Main) - percentile-based.
- TG EAPCET / AP EAPCET - rank-based.

Q: Is there a combined or weighted scoring system?

No. There is no composite scoring or weighting system (such as WHMS). Selection is strictly based on performance in one accepted entrance exam plus meeting the 10+2 academic cutoff.

4. Application Procedure

Q: How do I apply?

Applications must be submitted online only, through the official University Admissions Portal at <https://apply.suh.edu.in/> (also linked from www.sreenidhi.edu.in). No offline or third-party channels are permitted; the University does not authorise any admission agents.

Q: What are the application steps?

1. Registration - Register on the portal with a valid email and mobile number; you receive login credentials/activation link.
2. Form Filling - Enter personal details, academic details (10th and 12th marks, board, year of passing), entrance exam details (SUCET application number, JEE/EAMCET roll numbers and scores), and select program and branch preference.
3. Document Upload - Upload required documents (see Section 4.2).
4. Application Fee Payment - Pay the non-refundable fee online (credit/debit card, net banking, UPI).
5. Submission - Review and submit electronically. An application ID is generated for tracking. No changes can be made after submission unless an edit window is announced.
6. Acknowledgment - Receive a confirmation email with next steps and timeline.

4.2 Required Documents

- Passport-size colour photograph and signature of the applicant.

- 10th Standard mark sheet and pass certificate.
- 10+2 Intermediate mark sheet and pass certificate (or provisional if final not yet issued).
- Entrance exam scorecards / rank cards (SUCET, JEE Main/Adv, EAMCET - whichever applicable).
- For NRI/Foreign applicants: passport bio-data page, applicable test scores (e.g., SAT), proof of NRI status of sponsor (if applying under NRI quota), and an equivalence certificate from AIU (or proof of having applied for one).

4.3 Application Fee

- Domestic applicants: Rs.1,000 (non-refundable), uniform across all categories.
- Foreign/NRI applicants: USD \$50 (or INR equivalent at prevailing rates), payable by international card or SWIFT transfer.
- The fee covers administrative processing and conducting SUCET; it is non-refundable under any circumstances.
- The application is deemed complete only after successful fee payment.

Q: Are there application fee waivers?

No. As a rule, the Rs.1,000 application fee is uniformly applicable to all applicants.

4.4 Important Application Information

- Single Application Policy: Submit only one application; duplicates may lead to cancellation of all applications. For corrections after submission, contact the admissions office.
- Deadlines: Opening/closing dates are published on the University website and admission notification. Late applications are not accepted. The University may extend the deadline only in exceptional cases (e.g., proven portal/payment failures on the last day) at its discretion.
- SUCET Admit Card: Available on the portal after the application deadline and slot scheduling. Print it; entry to SUCET requires the admit card and a valid photo ID.
- Application Status Tracking: Track status (fee paid, documents verified, admit card issued) via the portal. Updates also sent by SMS/email. Applicants must rectify any deficiencies within the given timeframe or risk rejection.
- Privacy: Personal data is confidential, used only for admission processing and statutory reporting; applying consents to verification (which may include sharing with exam authorities/boards).
- Support: Contact admissions@suh.edu.in or the helpline on the admissions webpage.

4.5 Misconduct & Disclaimer

The University accepts no donation or capitation - merit is the sole criterion. Applicants should not engage agents promising admission for money. The application fee is the only fee payable at the application stage. Admissions obtained through fraud or misinformation will be cancelled, with possible legal action. The University's decision on all admission matters is final and binding.

5. Counselling, Seat Allotment & Admission Formalities

5.1 Admission Through SUCET (University Exam)

- No centralized counselling is conducted for SUCET-based admissions.
- Candidates scoring 60 marks or above in SUCET and meeting 60% in 10+2 (PCM or aggregate) are deemed qualified.
- Qualified applicants receive a Provisional Admission Offer Letter via the online portal.
- To secure the seat, pay an initial deposit of Rs.20,000 (non-refundable), adjusted against the first-year total fee.
- Failure to pay the deposit by the deadline results in automatic withdrawal of the offer.

5.2 Admission Through TG/AP EAPCET or JEE (Main)

- Upload a valid rank card or percentile score through the online portal.
- On meeting academic eligibility (minimum 60% in 10+2 MPC) and rank/percentile verification, the University issues a Provisional Admission Offer Letter.
- Confirm the seat with an initial deposit of Rs.20,000 (non-refundable) within the given timeline.

5.3 Conditional Admission & Forfeiture

- Provisional offers are conditional upon verification of eligibility at enrolment.
- If a candidate fails to produce valid documentation or meet eligibility, the provisional admission is forfeited and any fee paid may be forfeited per the refund policy.

5.4 Final Admission Confirmation

Final admission is confirmed only after: verification of all original documents; satisfaction of all academic and regulatory eligibility; and payment of full tuition and applicable fees. The University then issues a Final Admission Confirmation Letter, after which students join orientation and onboarding.

6. Fees & Scholarships (Undergraduate Engineering)

Note: All scholarship amounts below are Year-1 tuition fee reductions. The merit scholarship applies in the FIRST YEAR ONLY and is based on performance in the single entrance exam used for admission. Academic eligibility (minimum 60% in 10+2 MPC) must be met even with a high entrance score/rank. Scholarships are calculated using ONE entrance exam only (no combined/weighted scoring). The scholarship amount is deducted from Year-1 tuition to give the "Fee Payable (Year-1)".

6.1 Scholarship Table - CSE and CSE Specializations (AI&ML / Data Science / Cyber Security)

Annual Tuition Fee: Rs.4,50,000.

| Entrance Performance (SUCET marks / EAPCET rank / JEE percentile / CUET percentile) |
Scholarship (Year-1) | Fee Payable (Year-1) |

|---|---|---|

| SUCET ? 95 / EAPCET 1-8,000 / JEE ? 95 / CUET ? 95 | Rs.3,25,000 | Rs.1,25,000 |

| SUCET ? 85 and < 95 / EAPCET 8,001-25,000 / JEE ? 90 and < 95 / CUET ? 90 and < 95 |
Rs.3,00,000 | Rs.1,50,000 |

| SUCET ? 75 and < 85 / EAPCET 25,001-50,000 / JEE ? 80 and < 90 / CUET ? 80 and < 90 |
Rs.2,20,000 | Rs.2,30,000 |

| SUCET ? 65 and < 75 / EAPCET 50,001-90,000 / JEE ? 70 and < 80 / CUET ? 70 and < 80 |
Rs.1,60,000 | Rs.2,90,000 |

| SUCET ? 60 and < 65 / EAPCET 90,001-1,20,000 / JEE ? 60 and < 70 / CUET ? 60 and < 70 |
Rs.1,00,000 | Rs.3,50,000 |

| SUCET < 60 / EAPCET > 1,20,001 / JEE < 60 / CUET < 60 | Rs.50,000 | Rs.4,00,000 |

6.2 Scholarship Table - CSE (Enterprise AI with SAP Cloud)

Annual Tuition Fee: Rs.5,00,000.

| Entrance Performance (SUCET marks / EAPCET rank / JEE percentile / CUET percentile) |
Scholarship (Year-1) | Fee Payable (Year-1) |

|---|---|---|

| SUCET ? 95 / EAPCET 1-8,000 / JEE ? 95 / CUET ? 95 | Rs.2,75,000 | Rs.2,25,000 |

| SUCET ? 85 and < 95 / EAPCET 8,001-25,000 / JEE ? 90 and < 95 / CUET ? 90 and < 95 |
Rs.2,50,000 | Rs.2,50,000 |

| SUCET ? 75 and < 85 / EAPCET 25,001-50,000 / JEE ? 80 and < 90 / CUET ? 80 and < 90 |
Rs.1,70,000 | Rs.3,30,000 |

| SUCET ? 65 and < 75 / EAPCET 50,001-90,000 / JEE ? 70 and < 80 / CUET ? 70 and < 80 |
Rs.75,000 | Rs.4,15,000 |

| SUCET ? 60 and < 65 / EAPCET 90,001-1,20,000 / JEE ? 60 and < 70 / CUET ? 60 and < 70 |
Rs.25,000 | Rs.4,75,000 |

| SUCET < 60 / EAPCET > 1,20,001 / JEE < 60 / CUET < 60 | Rs.0 | Rs.5,00,000 |

6.3 Scholarship Continuation / Renewal (From Year-2 Onwards)

To continue or renew a merit scholarship, a student must meet ALL of the following:

- Minimum CGPA: 7.0 or above in regular year exams (first attempt).
- No backlogs.
- No disciplinary action.
- Minimum attendance: 75%.

Additional rules:

- Scholarship swapping is not permitted.
- A student cannot avail multiple scholarships simultaneously, except where a special-category fee

waiver is explicitly allowed.

- If eligible for more than one scholarship, the student may choose the highest-benefit option.
- Only ONE scholarship/fee waiver per academic year (Merit / Special Category / Sports / NCC / NSS); the student must opt for one at fee payment/renewal, and benefits cannot be combined.
- If a scholarship is discontinued for non-compliance in one year, the student may reapply in a later year upon meeting requirements.

6.4 CGPA-Based Tuition Fee Adjustment (From Second Year Onwards)

After Year 1, the next year's tuition is determined by the student's Year-1 "Fee Payable" and CGPA:

| Year-1 Scholarship | Fee if CGPA $\geq$ 8.00 | Fee if CGPA 7.00-7.99 | Fee if CGPA < 7.00 |

|---|---|---|---|

| Rs.3,25,000 | Rs.1,00,000 | Rs.1,25,000 | Rs.1,50,000 |

| Rs.3,00,000 | Rs.1,25,000 | Rs.1,50,000 | Rs.2,30,000 |

| Rs.2,20,000 | Rs.1,50,000 | Rs.2,30,000 | Rs.2,90,000 |

| Rs.1,60,000 | Rs.2,30,000 | Rs.2,90,000 | Rs.3,50,000 |

| Rs.1,00,000 | Rs.2,90,000 | Rs.3,50,000 | Rs.4,00,000 |

| Rs.50,000 | Rs.3,50,000 | Rs.4,00,000 | Rs.4,50,000 |

Scholarships/fee reductions are subject to renewal only on meeting academic progression benchmarks and the Section 6.3 continuation conditions.

7. Special Category Scholarships & Fee Waivers

7.1 Armed Forces / CAPFs / Police Fee Waiver

A fee waiver on annual tuition for eligible wards/widows of Defence/CAPF/Police personnel, continuing for the entire course duration subject to document verification:

- 50% waiver - wards and widows of personnel who laid down their lives in the line of duty (Battle Casualty / Operations Casualty).
- 35% waiver - wards of serving and retired Defence/CAPF personnel.
- 25% waiver - wards of serving and retired Police personnel.

Applies to all wings of the Armed Forces (Army, Navy, Air Force) and Central Armed Police Forces (CRPF, BSF, ITBP, CISF, SSB, Assam Rifles). The policy uses official terms - Battle Casualty, Operations Casualty, "laid down their lives," "supreme sacrifice for the nation," "fallen heroes/braves," "Bravehearts," "Veergati/Veergati Prapt" - instead of the word "martyr."

7.2 Sports Excellence Scholarship (SES)

Annual tuition fee waiver based on achievement level in a recognised sport (and University Sports Trials where applicable):

- SES-1 (Elite) - 100%: Represented India at international level OR medal at a recognised

international event (Olympics / Asian Games / Commonwealth / World University Games / World Championships).

- SES-2 (National) - 75%: Participation/medal at National Games / Khelo India / AIU Inter-University Nationals / Senior/Junior Nationals (recognised federation).

- SES-3 (State) - 50%: Top-3 at State Championship / State School Games / recognised state-level events.

- SES-4 (District/Other) - 25%: Top-3 at District/Zonal level or outstanding performance in recognised leagues, subject to university assessment.

Coverage: applied as a tuition fee waiver only (no cash, no conversion to other fee heads). For SES-1 and SES-2, the University may additionally support hostel/mess/transport and competition travel/kit expenses, subject to budget and written approval. All other fees are payable per the applicable structure unless approved in writing.

7.3 NCC Leadership Scholarship (NLS)

Annual tuition fee waiver based on NCC certification/representation, verified by the ANO / authorised NCC authority:

- NLS-1 - 35%: RDC / TSC / YEP participation (verified) OR equivalent national-level NCC representation.

- NLS-2 - 25%: NCC 'C' Certificate (A/B grade preferred) - Army/Navy/Air Wing.

- NLS-3 - 10%: NCC 'A' or 'B' Certificate OR other recognised NCC achievement.

Continuation requires remaining an active cadet and participating in NCC activities/camps as assigned by the University NCC unit.

7.4 NSS Social Impact Scholarship (SIS)

Annual tuition fee waiver based on documented NSS achievement, leadership roles, and verified service hours:

- Tier 1 - 35%: President's NSS Award / national-level NSS recognition or equivalent (verified).

- Tier 2 - 25%: State-level NSS award/recognition OR leadership role in national/state NSS camps (verified).

- Tier 3 - 15%: University-level best volunteer/leader with ?240 NSS service hours in the previous academic year (verified).

- Tier 4 - 10%: Active NSS volunteer with ?120 NSS service hours in the previous academic year (verified).

Note: The source NSS table reuses "NLS" labels for tiers 2-4; the percentages and criteria above are authoritative.

7.5 Common Rules (Sports / NCC / NSS)

- Validity: one academic year at a time; renewable annually subject to eligibility and continuation conditions.

- Academic continuation: minimum CGPA 7.0, no backlogs, minimum 75% attendance, no disciplinary action (aligned with Section 6.3).
 - One scholarship at a time per academic year, except where a special-category fee waiver is explicitly allowed.
 - Verification: the University may verify certificates with the issuing authority; forged/false documents lead to cancellation of scholarship and possibly admission.
 - Application timeline: apply in the prescribed format within notified dates (typically at admission for Year-1 and before each academic year for renewal).
 - Discretion: the University may limit awards per intake/program, modify, or discontinue any category based on policy/budget with due approvals.
-

8. Reservation & Seat Classification

- The University complies with all applicable Central and State Government reservation policies for SC, ST, OBC, EWS, and other legally recognised categories, as notified and amended periodically.
 - All undergraduate engineering seats are offered strictly on merit.
 - There is no management quota or Category B allocation under any name or format.
 - NRI / Foreign National seats are supernumerary, per UGC/AICTE norms.
-

9. Placements & Careers

Q: What are the placement statistics? (Educational Group)

- Total companies visited: 325+
- Total offers: 1,657+
- Placement percentage: 87%
- Average CTC (B.Tech): Rs.8.9 LPA
- Highest CTC (B.Tech): Rs.40 LPA
- Highest stipend: Rs.80K per month
- Average stipend: Rs.16.8K

Note: These figures are reported at the Sreenidhi Educational Group level.

Q: What support does the Career Development Center (CDC) provide?

The CDC bridges students to corporate partners, offering top-tier placements, a strategic industry network, and personalised career assistance.

Q: Who are some industry partners?

325+ partners including Google, Boeing, Amazon, PwC, Cognizant, Wipro, Darwinbox, Accenture, Infosys, Amara Raja, Deloitte, TCS, Goldman Sachs, AT&T, ADP, Salesforce, Greenko, Bosch, Juspay, and Epiroc.

Q: What is Sreenidhi ASCEND?

The university's innovation and entrepreneurship engine. It provides a launchpad for builders,

embedded innovation and entrepreneurship for every engineering student, Entrepreneurs-in-Residence (EIRs), industry immersion and founder exposure, curated growth pathways, and an integrated innovation ecosystem. Graduates leave with real products/prototypes, market validation, and access to funding and startup ecosystems.

10. SAP Add-On Global Certification Program

Q: What is the SAP Add-On Certification Program?

An industry-recognised, globally recognised SAP skilling collaboration (Sreenidhi University with SAP and SEED) for B.Tech students. It covers Advanced Business Application Programming (ABAP) and Sourcing & Procurement / Materials Management (MM).

Q: Who can apply and when?

B.Tech 2nd-year students (all branches, no backlogs) can enrol; the program is delivered as an add-on during the 3rd year (targeted at the A24 batch as B.Tech 3rd-year students). Applicants should be interested in ERP careers, willing to invest time in skill development, and serious about placements.

Q: What are the program details?

- Duration: 120 hours, during the 3rd year.
- Hands-on, practical, project-based training with expert faculty and industry mentors.
- Certification support and exam guidance (3 attempts for the global certification exam).
- Trusted certified trainers, no travel required, official certification path.
- Access to 1,500+ SAP courses including SAP AI, BTP, etc. (self-learning mode), with additional SAP courses at no extra cost.

Q: What are the two tracks?

- Technical Track (preferred for CSE & allied students): SAP ABAP - Backend Development.
- Functional Track (preferred for non-CSE allied students): SAP Materials Management (MM) - Business Process Configuration.

Q: What does it cost?

The campus add-on fee is highly subsidised for Sreenidhi students (very low fee in collaboration with SAP). For reference, the outside-campus fee is approximately Rs.7-Rs.10 lakhs.

Q: Why pursue SAP certification?

SAP is the world's leading ERP software, used by 90%+ of global companies across 120+ countries. SAP skills open careers in IT Consulting, Business Analytics, Finance & Operations, Supply Chain Management, Human Capital Management, and Digital Transformation projects. Career benefits include strong resume value, global certification recognised by System Integrators and SAP customers, internship and placement support, and high employability.

Q: Who is the contact for SAP program registration?

Dr. Pranayanath Reddy A., Assistant Professor, CSE Dept. | +91 90108 43555.

11. Regulatory & Governance

- The Admissions Policy is a standing institutional framework, effective from 2025 onward, designed to meet or exceed statutory obligations under UGC, AICTE, and relevant state authority frameworks.
 - It remains in force until formally amended by the University Governing Body; amendments require formal approval and must be published on the official portal.
 - The University's decision on all admission matters is final and binding.
-

12. Leadership

- Dr. K.T. Mahhe - Chancellor
- Dr. Ananth Padmanabhan - Vice-Chancellor
- Dr. Narsimha Reddy - Pro-Chancellor
- Mr. K. Abhijit Rao - President
